Issue January 2008 IKO–Matsushima Organisation From Shihan's desk

2008 Happy New Year:

I would like to wish everyone a great and successful 2008, and I hope the festive season was full of joy and fun. Mine certainly was and, of course, with that came too much eating and drinking and the inevitable weight gain. But never mind, I am already back in hard training and hope to be the slim and trim karate teacher you know and love. OK, so I can't remember the last time I was slim and trim but a guy can dream can't he? I hope to see you all back in training soon. Regards, Hanshi Taylor.

2007 IKO– Matsushima European Championships:

180 fighters entered the 2007 European Championships which were once again a great event. This year the Russians and the Ukrainians dominated, taking all the first places between them. Iran was a little disappointing, but of course they always have a problem getting their best team out of Iran due to visa problems. All in all, it was a great event with some fantastic fights and something all promoters should look at when putting on entertainment as well. The Shihan Zhylin and the Ukrainian IKO–Matsushima organisation should be applauded for a job well done. Here are the results.

2007 AKKA National Non Contact Championships:

The AKKA Non Contact Championships lived up to the reputation of great fights and a large number of fighters. More than a 120 fighters took part with so many fighters and close fights, it was hard work for the officials to separate many of the fighters. Nevertheless, all the fights were without injury and the officials did a great job selecting some very worthy

winners.

The results are as follows:

This month's bad joke: Gotta love those women!!!!

A man and his wife are dining at a table in a plush restaurant, and the husband keeps staring at a drunken lady swigging her drink as she sits alone at a nearby table.

The wife asks, 'Do you know her?'

'Yes,' sighs the husband, 'She's my ex-girlfriend. I understand she took to drinking right after we split up seven years ago, and I hear she hasn't been sober since.'

'My God!' says the wife, 'who would think a person could go on celebrating that long?'

Things kids say:

How do you decide who to marry? (written by kids)

No person really decides before they grow up who they're going to marry. God decides it all way before, and you get to find out later who you're stuck with. — Kristen , age 10

Now let me see have I got this right?

GRADING SYLLABUS:

With the students working toward gradings, they should think about buying a grading syllabus. This way you will be sure of exactly what is required to get your next grade. At only \$20.00, the newly printed syllabus is in two parts (booklets), the first part is packed full of karate techniques and diagrams and the second part contains the requirements and terminology up to San Dan and is well worth the price. The syllabus can be obtained through your AKKA dojo or by mail to Hanshi Taylor or on Ebay. Dojo operator's discounts are available.

Jargon buster: Concentric muscular action

A concentric muscular action occurs when a muscle shortens as it contracts, as is the case during the lifting phase of a biceps curl

AKKA Restructure:

The AKKA has slightly restructured itself with Shihan Saunders moving across from Shihan-cho Viccars' Branch to the Hanshi Taylor's Branch. This will allow Shihan Saunders to assist the Ballarat and other dojos aligned with Sensei Hardy to get the benefit of his teaching,

"Exercising is the closest thing to a "magic pill"

To ensure longevity and an improved quality of life". Regular exercise is known to prevent a decline in physical strength and flexibility as we age, as well as warding off disease such as diabetes and heart problems. The hearts pumping capacity decreases with age, however those who exercise experience only one third of the decline of sedentary people whose efficiency declines by 1 to 2 percent a year beginning at the age of forty. "If you're committed, exercise in combination with a sensible diet can help provide an overall sense of well being", According to Colin Milner, CEO of the International Council on Active Aging, "Most of the issues we look at as aging really are **disuse**. We are meant to move."

Kata tips:

It is better to know one kata perfectly than a 100 badly.
